

# DECLARATION OF CONFORMITY COMPOSTABILITY

## Identity and trade name of the article(s): Trifilon Switch

Reference is made to the harmonised European standard, EN 13432:2000, of the European Standardization Organisation (CENELEC) of September 20th 2000 on the requirements for packaging recoverable through composting and biodegradation.

Given the definitions in the above mentioned regulation, products made with Trifilon Switch can be said to be in compliance with this standard and thus can be classified as industrial compostable.

More specifically, Trifilon Switch meets the four principle requirements of EN 13432, specifically:

- biodegradability
- disintegration during biological treatment
- effect on the biological treatment process
- effect on the quality of the resulting compost

This declaration of conformity is issued under the sole responsibility of Trifilon AB (publ).  
The technical documentation for the described products is available at below address.
