

# DECLARATION OF CONFORMITY

## SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986

### PROPOSITION 65

**Trifilon AB applicable product(s): Switch™**

#### Proposition 65 Compliance

This declaration of compliance is to inform Trifilon customers that Trifilon Switch materials produced by Trifilon AB do not contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

None of the substances used in Switch or during the manufacturing of Switch are listed on the Proposition 65 chemical list that can be found at (last updated December 29, 2023): <https://oehha.ca.gov/proposition-65/proposition-65-list>

Be assured, Trifilon will continue to monitor the Proposition 65 regulations for any new chemicals. Trifilon will compare any newly listed chemicals with the raw materials in our Trifilon Switch products and communicate this information to our customers.

This declaration of conformity is issued under the sole responsibility of Trifilon AB (publ). The technical documentation for the described products is available at below address.

Signed for and behalf of Trifilon AB:
